

YAMAHA FZ09 / MT-09 2013-AND UP DIY WINDSCREEN INSTALL

Installation Instructions for Yamaha FZ-09 / MT-09 2013 and up.

Thank you for purchasing Zero Gravity's windscreen, (a screen which has been designed and manufactured to give years of safe & fun riding.) These instructions give you an in-depth look at the installation process. To receive further assistance or parts please call Zero Gravity® Sales Department at 805-388-8803 or E-mail at techinfo@zerogravity-racing.com.

PLEASE READ BEFORE INSTALLING YOUR WINDSCREEN

Helpful hints: Use metric tools, clean hands, put the bike on a stand. Do not pry on the screen excessively, as it can break without much warning.

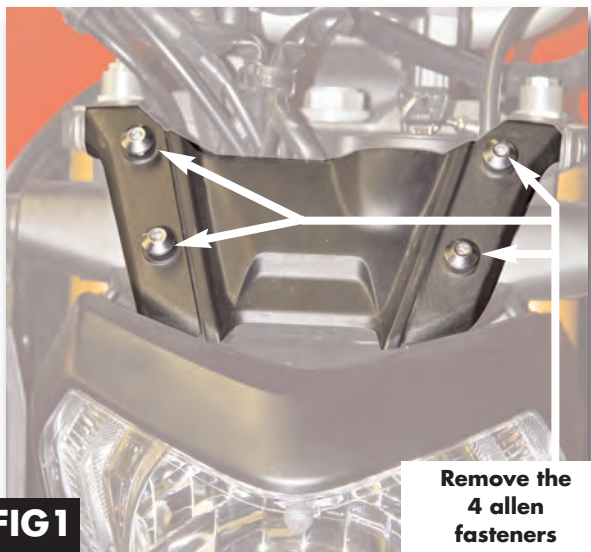

FIG1

Remove the 4 allen fasteners

Fig 1. Remove factory allen fasteners as shown above and, set aside for the next step.

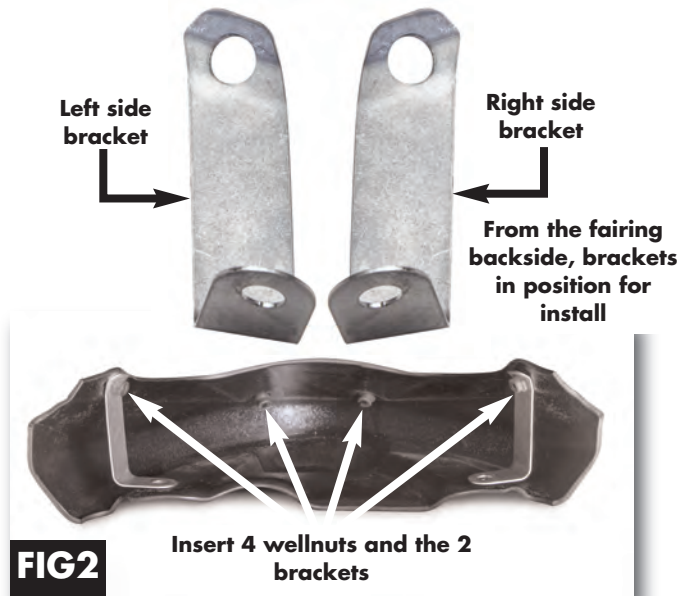

FIG2

Insert 4 wellnuts and the 2 brackets

Fig 2. Add wellnuts and brackets provided in there respective place as shown above.

FIG3

Align and fasten 4 allens
